

The Age of Aggression (Cover by Malukah)

Dm Bb C Gm  
We drink to our youth, to the days come and gone

Bb Gm Am Dm  
for the Age of Aggression is just about done

Dm Bb C Gm  
We'll drive out the Stormcloaks and restore what we own

Bb Gm Am Dm  
With our blood and our steel we'll take back our home

F C  
Down with Ulfric, the killer of kings

Dm Am  
On the day of your death we'll drink and we'll sing

Dm Bb C Gm  
We're the children of Skyrim, and we fight all our lives

Bb Gm Am Dm  
And when Sovngarde beckons everyone of us dies

C Gm  
But this land is ours and we'll see it wiped clean

Bb Gm A7 Dm  
Of the scourge that has sullied our hopes and our dreams.

(Exploration music: From Past to Present)
