

Rise From the Dark - Destiny Tribute Song by Malukah

Music based on melodies from the Destiny OST by Mike Salvatori, Marty O'Donnel, C. Paul Johnson, and Paul McCartney

Lyrics by Malukah

Dm Bb/D Dm Bb/D
Veil of night, frail existence
Dm Bb/D C Gm
Death becomes all I see, all I see
Dm Bb/D C Bb
Scattered and faint are the remnants of comfort
Gm Am
But I chase them still...

Dm Cm F
Look to the light of the stars
Dm Cm Gm
Fight cause this isn't the end
Gm Gm/F Gm/E Dm Cm
It's the start of a storm that will
Gm Bb Bbmaj7
Strike in the glory of hope
C Dm
As we rise from the dark...

Dm Bb/D C Bb
Veil of night, builds resistance
Dm Bb/D C Gm
One by one, I find glimmering souls
Dm Bb/D C Bb
Marching along as they bravely remind me
Gm A
That I'm not in this alone

Dm Cm F
 Look to the light of the stars
 Dm Cm Gm
 Fight cause this isn't the end
 Gm Gm/F Gm/E Dm Cm
 It's the start of a storm that will
 Gm Bb Bbmaj7
 Strike in the glory of hope
 C Dm
 As we rise from the dark...

Dm..... (over this whole section)
 In the dark, dark below
 Angst and Fear kept calling
 Rousing pain and regret
 That we faced over and over
 Through the trials, we awoke
 Left our demons crawling
 Once we learned to embrace
 Dm... Bb Bb/C Dm
 That we're never gonna change who we were
 C Gm Gm F/A
 So we fight for what we'll become
 Bb Bb Bb/C Dm C Gm
 Raise your light and carry on through this night...

Dm Bb/D C Bb
 We will rise from the

Dm Bb/D C Gm
 dark... we will rise from the

Dm Bb/D C Bb
 dark... Every end is a start

Dm Bb/D C Gm Dm
 start... We will rise from the dark...
