

# I Follow The Moon

## DADGAD Tuning

(Music & Lyrics by Malukah)

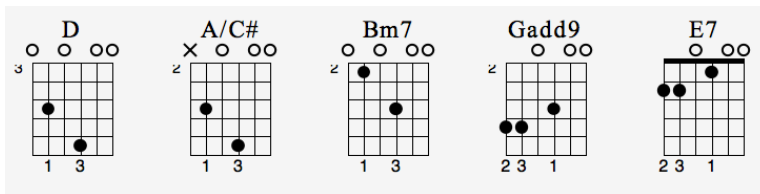

**Message from Malu:** Hey guys! I originally recorded this song in DADGAD tuning. I've also made a Standard tuning version of it, in case you want to avoid the hassle of retuning. You can find that version here on my site (<http://www.malukah.com/chords-lyrics/>).

### VERSE

**Gadd9**                    **Bm7**                    **D**  
 Every night I sit and stare at the sky  
**Aadd4**                    **Bm7**

 Falling so low and rising so high
