

Everything

Music & Lyrics by Judith de los Santos (Malukah)

Capo in 3

G D/F# Em C
Scented candles burn your letters to me
G D/F# Em C
Leave a message I'm not here
G D/F# Em C
'Cause I can't handle all that you bring to me
G D/F# Em C
Every time I let you near
D A C
Over again...
D A C
We're back where it ends...
G D/F#
Everything is falling
Em C G D/F# Em C
And I can't remember why I chose to be with you
G D/F# Em C
But then I come back crawling
G D/F# Em C
Once the anger dies and I start missing you
G D/F# Em C
I saw you waiting on that corner where we meet
G D/F# Em C
I knew by heart the words you'd say
G D/F# Em C
Spite is fading and I'm not sure I trust my feet
G D/F# Em C
To walk away
D A C
Over again,
D A
We keep coming back
C
But where it begins is where it ends

CHORUS

G D/F# Em C
And if I answer, I know you'll say you want to meet
G D/F# Em
'Cause you're my friend.. you were my friend.
