

Covered in Red

Music & Lyrics by Judith de los Santos (Malukah)

Bm G Bm G
They won't wear away, the last words I said
Bm G Bm G
They serve to remind me of all that has changed
E F#
I hear nothing when I beg to make the slightest amends
Bm G Bm G
Eventide sways in the back of my mind
Bm G Bm G
Taking all you could carry, you left me behind
Em F#
I saw your eyes completely filled with dread
Bm G Em A9 x2
Covered in red..

And it covers me as well
Bm G
I see the pictures on the wall
Bm G
They look alive, they look alive in a certain light
Bm G Bm G
I think of all the ways that I pretend you never left
Em F#
All the brilliance left unsaid
Bm G Em A9 x2
Covered in red..

F#
And it hurts for me to hold on

'Cause in my head you're dying You're dying

Bm G Em F# x2
again...
