G G6  
Sit back, enjoy the show  
G G6  
So many things for me to watch and learn  
Am  
And yet I cannot seem to ever stop complaining  
Em D G G6 G G6  
About having to miss so many of your smiles

G G6  
I'd go back, return to you  
G G6  
'Cause I'd rather be where I can watch your show  
Am  
And I fear that I will end up in the future  
Em D C9 (open 1st string)  
With a lonely life and a past empty of you

G G6  
If I say that it feels right,  
G D  
I would lie to myself  
G G6  
I can't stand to be so far away, love  
D Am  
I'm hurting again...  
Am G G6 G G6  
Love, I'm hurting again.

G G6  
Don't look back, just think ahead  
G G6  
'Cause all I have is what I will become  
Am  
My heart needs to understand this one decision  
Em D Dsus D  
I can't be with you 'cause I gotta live for me

G G6  
But I can't say it feels right  
G D  
I would lie to myself  
G G6

I can't stand to be so far away, love  
D Am  
I'm hurting again...

D Em  
Every night a single dream returns to haunt me  
Am D  
I dream I'd chosen to stay  
D/F# Em  
And I hold you tight for that precious little time  
Am D Dsus  
'Cause I know before long I will wake

G G6  
I won't say that it feels right  
G D  
I won't lie to myself  
G G6  
I can't stand to be so far away, love  
D  
I'm hurting again

G G6  
I won't stay that it feels right  
G D  
You're just too far away  
G G6  
And every time that I say goodbye, love  
D Am  
My heart breaks again...  
Am G G6 G G6  
Love, I'm hurting again.
