

Fear Front

From the album All of the Above

Music & Lyrics by Judith de los Santos (Malukah)

F# A B
Lead me to believe life lives itself alone
F# A B
Just gotta sit back down and watch the world turn
F# A B
Push me to my knees and say, Don't bother standing up
F# A B C#
'Cause in the end we all are destined to fall
F# A B
Take me by the hand and lead me nowhere
F# A B
It'll take me awhile to realize you are holding me down
F# A B
Fall for your disguise 'cause your ways are so effective
F# A B C#
And I'm not brave enough to fight for my ground

F# A B F#
Weathermen blame it on the fog, But I think this time they're
wrong
F# A B
F#
I think it's you with your hand over my eyes, That won't let me
see my road
F# A B
F#
But don't you worry about me boy, I'm staying right here where I
am
F# A B
F#
As much as I hate to fear your storms, I'm too weak to fight
them back

F# A B
I'll have to say goodbye... to my dreams and fantasies
F# A B
I'll never risk a mistake when I know you're keeping track
F# A B
One step at a time as I walk around in circles
F# A B
C#
