

Einstein

Music & Lyrics by Malukah

C F Am G
Ein rhymes with Stein
C F G
And together they make up a gentleman so fine
C F Am G
Born in 1879
C F G
Who revolutionized the Photon Theory of Light

Am Em
I wonder what went through that man's head
Am Em
How he came up with $e=mc^2$
Am Em
I wonder what those little letters really mean
F G
And if they're subject to a dose of his relativity

C F Am G
All I know is Ein rhymes with Stein
C F G
And together they make up a man so wise
C F Am G
Who died in 1955
C F G
But not before receiving the Nobel Prize

Am Em
Did you know he also played the violin?
Am Em
And was an active pacifist against Berlin?
Am Em
He helped create the hydrogen and atom bombs
F G
When he tried to prevent war from going too far

C F G
Einstein's the man
C F G
If you ever need a crash course on the equivalence of mass

C F G
Einstein's the man

C F G
And to learn about his life all you need to know

C F Am G
Is that Ein rhymes with Stine

C F G
And he willingly explained space, gravity, and time

C F Am G
From '79 to '55

C F G
He's one of the greatest intellects of humankind

C F G
Unlike you...

C F G
Unlike you...
