

# Hand in Hand

Music and Lyrics by Malukah and Amalie Riis

D D/F# Bm A G  
If I could, I would carry your world on my shoulders  
D D/F# Bm Am7 G  
Yeah, I would, but my own world is weighing me down  
D/F#  
Let it storm  
G E7  
Nothing can shake our common ground

G A Bm  
We go hand in hand through change  
G A Bm  
It's a part of who we are  
G A Bm  
And though guiding lights may fade  
Em A D  
We'll never be lost when love leads the way

D D/F# Bm A G  
If I knew where the stars are gonna take us tomorrow  
D D/F# Bm Am7 G  
I would tell you, but it still wouldn't turn us around  
D/F#  
Let it rain 'cause  
G E7  
Nothing can sink our common ground

G A Bm  
We go hand in hand through change  
G A Bm  
It's a part of who we are  
G A Bm  
And though guiding lights may fade  
Em A  
We'll never be lost when love leads the...

D/F# G D/F# G  
Weigh me down and trouble my mind

Em D Aadd2  
But my heart won't be led astray

G A D/F# G  
When we go hand in hand, hand in hand  
G A G  
Hand in hand through change

G A D/F# G  
When we go hand in hand, hand in hand  
G A E7  
Hand in hand through change

G A Bm  
We go hand in hand through change

G A Bm  
It's a part of who we are

G A Bm  
And though guiding lights may fade

Em A D  
We'll never be lost when love leads the way
